

The Flip Factory Lovebird All-Stars

Pensacola's first Co-Ed All-Star Cheerleading Squad specifically for special needs individuals! Join the Flip Factory for our 2009-2010 competitive cheer season! The Flip Factory Lovebirds All-Stars were formed in 2008. The 2008-2009 Lovebirds placed 4th at NCA All-Star Nationals, are the WSA Grand National Champions, and Cheersport Champions. Way to go Lovebirds!

Instructional services are voluntary, use of the facility is donated, and most travel expenses and uniform fees are absorbed by active fundraising and generous sponsorships. Our Lovebirds compete at the local and national level, perform at Gulf Coast area fairs and festivals, and encourage other cheerleading facilities to implement similar programs.
